,99€ Camera painting is a specific technique. You use a camera as a tool for painting. Capture the image of the artwork you want to paint. You will be able to combine this image on a canvas you paint. Like to touch your paintings, you have the comfort of a paintbrush in your hand. Canvas size or part of the canvas are only 2" (50cm) and 4" (100cm). You'll have a large range of designs to paint. Each painting has a 2" (50cm) and 4" (100cm) canvas and a convenient travel case. You can adjust the size and/or the angle of the camera, allowing you to compose the painting. Steps to Take The photo can be made on the large canvas or on a part of the canvas. The photo will be shown on the canvas You must be careful when using the paintbrush to paint the areas of the canvas that have been previously painted with the photo. You must first remove any residual paint to cleanly paint over it. The leaders of China, Russia and Turkey agreed that the Syrian government is determined to wipe out terrorist group Islamic State and all foreign troops, and are close to reaching a deal to normalize bilateral ties, according to Chinese Vice Foreign Minister Cheng Guoping. "The leaders of Russia, Turkey and China have reached a consensus on the Syrian government's determination to wipe out terrorist group Islamic State and all foreign troops, and are close to reaching a deal to normalize bilateral ties," he said at a press conference after the second round of China-Russia-Turkey-US (CRIUS-2) informal dialogue meeting in Beijing. He said that the leaders also agreed to strengthen cooperation between the three countries, and said that "the visit of Chinese Foreign Minister Wang Yi and Russian Foreign Minister Sergey Lavrov to Turkey later this month will serve as a good opportunity to push the process forward." Cheng Guoping also expressed satisfaction over the progress of Iran's nuclear deal with the six world powers and said that the joint press conference with Iran's Foreign Minister Mohammad Javad Zarif will be held at the UN General Assembly on September 27. When asked about Iran's nuclear deal, Cheng Guoping said that "this is a good opportunity for the international community to conduct a comprehensive, objective and balanced review."
